– A –

Abdominal abscess
Infectious complications following laparoscopic appendectomy (Gupta and others) (OA) 397
Abdominal pain
Acute appendagitis as a cause of right lower quadrant pain (Friedlich and Papadatos) (CN) 215
Acute disease
Acute appendagitis as a cause of right lower quadrant pain (Friedlich and Papadatos) (CN) 215
Clinical judgment remains of great value in the diagnosis of acute appendicitis (Bergeron) (OA) 96
Adhesions
Methylene blue prevents surgery-induced peritoneal adhesions but impairs the early phase of anastomotic wound healing (Dinc and others) (OA) 321
Adolescent
Scapholunate interosseus ligament tears in elite gymnasts (Snider and others) (BC) 290
Waiting times for radiation therapy in Ontario (Benk and others) (OA) 16
Adrenal gland neoplasms
Laparoscopic adrenalectomy for pheochromocytoma in pregnancy (Kim and others) (CN) 62
Adrenalectomy
Laparoscopic adrenalectomy for pheochromocytoma in pregnancy (Kim and others) (CN) 62
Aged
Caval foramen hernia masquerading as a thoracic mass (Ng and others) (CN) 64
Delays to surgery in non-small-cell lung cancer (Liberman and others) (OA) 31
Determination of patient quality of life following severe acute pancreatitis (Hochman and others) (OA) 101
Gastrointestinal stromal tumour: varied presentation of a rare disease (Bardell and others) (BC) 286
Influence of hospital characteristics on operative death and survival of patients after major cancer surgery in Ontario (Simunovic and others) (OA) 251
Quality of diagnosis and surgical management of breast lesions in a community hospital: Room for improvement? (Hanley and Kessaram) (OA) 185
Radiology for the surgeon. Soft-tissue case 58. Incarcerated Grynfeltt hernia (Ng and others) (CME) 129
A screening program to identify risk factors for abdominal aortic aneurysms (Lovell and others) (OA) 113
A study of large-bowel volvulus in urban Australia (Lau and others) (OA) 203
Treatment of esophageal achalasia with Heller myotomy: retrospective evaluation of patient satisfaction and disease-specific quality of life (Dang and Mercer) (OA) 267
Value of preoperative serum CA 19-9 levels in predicting resectability for pancreatic cancer (Kiliç and others) (OA) 241
Ambulatory surgical procedures
Early experience of stapled hemorrhoidectomy in a community hospital setting (Touzin and others) (OA) 316
Anastomosis, Roux-en-Y
Early results after laparoscopic Roux-en-Y gastric bypass: effect of the learning curve (Andrew and others) (OA) 417
Anastomosis, surgical
Methylene blue prevents surgery-induced peritoneal adhesions but impairs the early phase of anastomotic wound healing (Dinc and others) (OA) 321
Anesthesia, spinal
The effect of spinal anesthesia on blood transfusion rate in total joint arthroplasty (Rashiq and Finegan) (OA) 391
Animals
Internal thoracic artery to left anterior descending anastomosis performed on the beating heart by endoscopic robot assistance using a new distal connector (Gill and Izutani) (OA) 37
Methylene blue prevents surgery-induced peritoneal adhesions but impairs the early phase of anastomotic wound healing (Dinc and others) (OA) 321
Reinforcement of the suture line with an ePTFE graft attached with histoacryl glue in duodenal trauma (Saygun and others) (OA) 107
Anti-dyskinesia agents
Nonsurgical treatment of chronic anal fissure: nitroglycerin and dilatation versus nifedipine and botulinum toxin (Tranqui and others) (OA) 41
Antibiotic prophylaxis
Use of fibrin sealants for the localized, controlled release of cefazolin (Tredwell and others) (OA) 347
Aorta
Endovascular management of traumatic aortic injuries (Verdant) (C) 217
(Dr. Lawlor replies) (Lawlor) (C) 217
Aortic aneurysms, abdominal
A screening program to identify risk factors for abdominal aortic aneurysms (Lovell and others) (OA) 113
Aortic diseases
Endovascular management of traumatic aortic injuries (Verdant) (C) 217
(Dr. Lawlor replies) (Lawlor) (C) 217
Appendectomy
Clinical judgment remains of great value in the diagnosis of acute appendicitis (Bergeron) (OA) 96
Infectious complications following laparoscopic appendectomy (Gupta and others) (OA) 397
Appendicitis
Acute appendagitis as a cause of right lower quadrant pain (Friedlich and Papadatos) (CN) 215
Clinical judgment remains of great value in the diagnosis of acute appendicitis (Bergeron) (OA) 96
Arthroplasty, replacement
The effect of spinal anesthesia on blood transfusion rate in total joint arthroplasty (Rashiq and Finegan) (OA) 391
Arthroplasty, replacement, hip
Influence of cementless femoral stems inserted in varus on functional outcome in primary total hip arthroplasty (de Beer and others) (OA) 407
Arthroscopy
Scapholunate interosseus ligament tears in elite gymnasts (Snider and others) (BC) 290

Bile
Occult cystobiliary communication presenting as postoperative biliary leakage after hydatid liver surgery: Are there significant preoperative predictors? (Demircan and others) (OA) 177
Biliary fistula
Occult cystobiliary communication presenting as postoperative biliary leakage after hydatid liver surgery: Are there significant preoperative predictors? (Demircan and others) (OA) 177
Biopsy
Delays to surgery in non-small-cell lung cancer (Liberman and others) (OA) 31
L'atteinte tuberculeuse de la vésicule biliaire (El Malki and others) (CN) 135
Biopsy, fine-needle
Granulomatous mastitis including breast tuberculosis and idiopathic lobular granulomatous mastitis (Bakaris and others) (BC) 427
Quality of diagnosis and surgical management of breast lesions in a community hospital: Room for improvement? (Hanley and Kessaram) (OA) 185
Bladder injuries
Successful damage control of complex vascular and urological gunshot injuries (Ball and others) (CN) 437
Blood transfusion
The effect of spinal anesthesia on blood transfusion rate in total joint arthroplasty (Rashiq and Finegan) (OA) 391
Blood vessel prosthesis
Endovascular management of traumatic aortic injuries (Verdant) (C) 217
(Dr. Lawlor replies) (Lawlor) (C) 217
Successful damage control of complex vascular and urological gunshot injuries (Ball and others) (CN) 437
Bone diseases
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 16. Randomized trial of parathyroidectomy in mild asymptomatic primary hyperparathyroidism (Barkun and others) (EBS) 59
Bone malalignment
Foot rotational effects on radiographic measures of lower limb alignment (Hunt and others) (OA) 401
High tibial osteotomy with use of the Taylor Spatial Frame external fixator for osteoarthritis of the knee (Viskontas and others) (OA) 245
Bone neoplasms
Radiology for the surgeon. Musculoskeletal case 37. Diaphyseal mid-femur telangiectatic osteosarcoma (Al-Nakshabandi and others) (CME) 283
Bone plates and screws
Surgical technique. Technical notes on reduction of thoracic spine fracture dislocation (Alobaid and others) (CME) 131
Book reviews
An atlas of foot and ankle surgery (Neligan) (BR) 66
Body contouring after massive weight loss (McAlister) (BR) 367
Edward Archibald: surgeon of the Royal Vic (Duff) (BR) 137
Handbook of reoperative general surgery (McAlister) (BR) 66
Perforator flaps: anatomy, technique & clinical applications (Evans) (BR) 367
Schwartz's principles of surgery (Nguan) (BR) 66
Botulinum toxins
Nonsurgical treatment of chronic anal fissure: nitroglycerin and dilatation versus nifedipine and botulinum toxin (Tranqui and others) (OA) 41
Breast neoplasms
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 19. The effect of a decision aid on knowledge and treatment decision making for breast cancer (Henteleff and others) (EBS) 431
Granulomatous mastitis including breast tuberculosis and idiopathic lobular granulomatous mastitis (Bakaris and others) (BC) 427
Invasive lobular carcinoma of the male breast (Erhan and others) (CN) 365
Quality of diagnosis and surgical management of breast lesions in a community hospital: Room for improvement? (Hanley and Kessaram) (OA) 185
Burns
Pediatric burns: the forgotten trauma of childhood (Holland) (RA) 272
Buttocks
Radiology for the surgeon. Soft-tissue case 59. Giant epidermal cyst of the ischiorectal fossa (Ng and others) (CME) 435

– C –

CA 19-9
Value of preoperative serum CA 19-9 levels in predicting resectability for pancreatic cancer (Kiliç and others) (OA) 241
Canadian Association of Radiologists
Commentary (Miller) (QS) 313
Canadian Medical Education Directions for Specialists
How a visit to the museum can contribute to professional awareness during medical school (Gil) (QS) 384
Canadian Society for Vascular Surgery
Canadian Society for Vascular Surgery Meeting. Sept. 29–30, 2006, Calgary, Alta. (ABS) 293
Canadian Society of Surgical Oncology
Canadian Society of Surgical Oncology Meeting. April 28, 2006, Hilton Bonaventure, Montréal (ABS) 220
Canadian Special Interest Group
Canadian Special Interest Group 2006. Abstracts presented at the American Burn Association 38th Annual Meeting, April 3, 2006, Las Vegas, Nevada (ABS) 140
Canadian Spine Society
Imaging for spinal surgery (Splawinski and others) (QS) 311
Carcinoma
Granulomatous mastitis including breast tuberculosis and idiopathic lobular granulomatous mastitis (Bakaris and others) (BC) 427
Carcinoma, lobular
Invasive lobular carcinoma of the male breast (Erhan and others) (CN) 365
Carcinoma, non-small-cell lung
Delays to surgery in non-small-cell lung cancer (Liberman and others) (OA) 31
Cardiac surgical procedures
Investigating interpersonal competencies of cardiac surgery teams (Fleming and others) (OA) 22
The new cardiac surgery patient: defying previous expectations (Aggarwal and others) (OA) 117
Cardiovascular abnormalities
Surgical images: soft tissue. Recurrent deep vein thrombosis caused by hypoplasia of the inferior vena cava (Atmatzidis and others) (CME) 285
Carotid artery diseases
A screening program to identify risk factors for abdominal aortic aneurysms (Lovell and others) (OA) 113
Cefazolin
Use of fibrin sealants for the localized, controlled release of cefazolin (Tredwell and others) (OA) 347
Chemotherapy, adjuvant
Invasive lobular carcinoma of the male breast (Erhan and others) (CN) 365
Chest tubes
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 18. Treatment of occult pneumothoraces from blunt trauma (Kirkpatrick and others) (EBS) 358
Child
Factors predicting the outcome of primary clubfoot surgery (Templeton and others) (OA) 123
Pediatric burns: the forgotten trauma of childhood (Holland) (RA) 272
Cholangiography
L'atteinte tuberculeuse de la vésicule biliaire (El Malki and others) (CN) 135

Cholecystectomy
L'atteinte tuberculeuse de la vésicule biliaire (El Malki and others) (CN) 135
Chondromatosis, synovial
Surgical images: musculoskeletal. Elbow mass in a 58-year-old woman (Harvey and others) (CME) 281
Clinical competence
Clinical judgment remains of great value in the diagnosis of acute appendicitis (Bergeron) (OA) 96
The concept and trajectory of "operative competence" in surgical training (Grober and Jewett) (QS) 238
Core competencies in surgery: evaluating the goals of urology residency training in Canada (Morrison and MacNeily) (OA) 259
Developing a culture of mentoring (Warnock) (E) 164
Doctor "*Lite*" (Gross) (QS) 314
Early results after laparoscopic Roux-en-Y gastric bypass: effect of the learning curve (Andrew and others) (OA) 417
Initial clinical outcomes after completion of training in a Canadian Royal College thoracic surgery program (Milman and Ng) (OA) 422
A needs assessment study of undergraduate surgical education (Birch and Mavis) (OA) 335
Clubfoot
Factors predicting the outcome of primary clubfoot surgery (Templeton and others) (OA) 123
Colectomy
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 17. The timing of elective colectomy in diverticulitis: a decision analysis (McLeod and others) (EBS) 212
Colonic diseases
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 17. The timing of elective colectomy in diverticulitis: a decision analysis (McLeod and others) (EBS) 212
Colonoscopy
A study of large-bowel volvulus in urban Australia (Lau and others) (OA) 203
Computer-assisted instruction
Visual-spatial ability, learning modality and surgical knot tying (Brandt and Davies) (OA) 412
Constriction, pathologic
Caval foramen hernia masquerading as a thoracic mass (Ng and others) (CN) 64
Coronary artery
Internal thoracic artery to left anterior descending anastomosis performed on the beating heart by endoscopic robot assistance using a new distal connector (Gill and Izutani) (OA) 37
Cost-benefit analysis
Early experience of stapled hemorrhoidectomy in a community hospital setting (Touzin and others) (OA) 316
Credentialing
Physician shortage (Waddell) (E) 236
Curriculum
Doctor "*Lite*" (Gross) (QS) 314
L'éducation médicale de premier cycle (Waddell) (E) 309
A needs assessment study of undergraduate surgical education (Birch and Mavis) (OA) 335
Undergraduate medical education (Waddell) (E) 309
Undergraduate surgical training: variations in program objectives and curriculum implementation across Canada (Forbes and others) (OA) 46
What procedures are students doing during undergraduate surgical clerkship? (Ladak and others) (OA) 329

– D –

Decision support techniques
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 19. The effect of a decision aid on knowledge and treatment decision making for breast cancer (Henteleff and others) (EBS) 431
Decompression, surgical
A study of large-bowel volvulus in urban Australia (Lau and others) (OA) 203
Diagnosis, differential
Acute appendagatis as a cause of right lower quadrant pain (Friedlich and Papadatos) (CN) 215
L'atteinte tuberculeuse de la vésicule biliaire (El Malki and others) (CN) 135
Caval foramen hernia masquerading as a thoracic mass (Ng and others) (CN) 64
Clinical judgment remains of great value in the diagnosis of acute appendicitis (Bergeron) (OA) 96
Granulomatous mastitis including breast tuberculosis and idiopathic lobular granulomatous mastitis (Bakaris and others) (BC) 427
Quality of diagnosis and surgical management of breast lesions in a community hospital; Room for improvement? (Hanley and Kessaram) (OA) 185
Radiology for the surgeon. Soft-tissue case 58. Incarcerated Grynfeltt hernia (Ng and others) (CME) 129
Surgical images: soft tissue. Tension pyopneumothorax (Bloom and McClenathan) (CME) 58
Digestive system
Treatment of esophageal achalasia with Heller myotomy: retrospective evaluation of patient satisfaction and disease-specific quality of life (Dang and Mercer) (OA) 267
Dilatation
Nonsurgical treatment of chronic anal fissure: nitroglycerin and dilatation versus nifedipine and botulinum toxin (Tranqui and others) (OA) 41
Treatment of esophageal achalasia with Heller myotomy: retrospective evaluation of patient satisfaction and disease-specific quality of life (Dang and Mercer) (OA) 267
Diverticulitis
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 17. The timing of elective colectomy in diverticulitis: a decision analysis (McLeod and others) (EBS) 212
Drug delivery systems
Use of fibrin sealants for the localized, controlled release of cefazolin (Tredwell and others) (OA) 347
Duodenum
Reinforcement of the suture line with an ePTFE graft attached with histoacryl glue in duodenal trauma (Saygun and others) (OA) 107

– E –

Echinococcosis
Occult cystobiliary communication presenting as postoperative biliary leakage after hydatid liver surgery: Are there significant preoperative predictors? (Demircan and others) (OA) 177
Education, medical
The concept and trajectory of "operative competence" in surgical training (Grober and Jewett) (QS) 238
Core competencies in surgery: evaluating the goals of urology residency training in Canada (Morrison and MacNeily) (OA) 259
Developing a culture of mentoring (Warnock) (E) 164
Doctor "*Lite*" (Gross) (QS) 314
How a visit to the museum can contribute to professional awareness during medical school (Gil) (QS) 384
Initial clinical outcomes after completion of training in a Canadian Royal College thoracic surgery program (Milman and Ng) (OA) 422
Outcomes and attitudes: lessons learned from pilots (Gross) (QS) 14
Reflections on the mentoring of a young surgeon (McDonald) (E) 168
Le suivi des résultats en soins chirurgicaux (Warnock) (E) 382
Tracking outcomes in surgical care (Warnock) (E) 381
Visual-spatial ability, learning modality and surgical knot tying (Brandt and Davies) (OA) 412
Education, medical, undergraduate
L'éducation médicale de premier cycle (Waddell) (E) 309
A needs assessment study of undergraduate surgical education (Birch and Mavis) (OA) 335
Undergraduate medical education (Waddell) (E) 309

Undergraduate surgical training: variations in program objectives and curriculum implementation across Canada (Forbes and others) (OA) 46
What procedures are students doing during undergraduate surgical clerkship? (Ladak and others) (OA) 329
Elbow joint
Surgical images: musculoskeletal. Elbow mass in a 58-year-old woman (Harvey and others) (CME) 281
Emergencies
Burden of injury during the complex political emergency in northern Uganda (Lett and others) (IS) 51
Endoscopy
Endovascular management of traumatic aortic injuries (Verdant) (C) 217
(Dr. Lawlor replies) (Lawlor) (C) 217
Epidermal cyst
Radiology for the surgeon. Soft-tissue case 59. Giant epidermal cyst of the ischiorectal fossa (Ng and others) (CME) 435
Equipment design
High tibial osteotomy with use of the Taylor Spatial Frame external fixator for osteoarthritis of the knee (Viskontas and others) (OA) 245
Internal thoracic artery to left anterior descending anastomosis performed on the beating heart by endoscopic robot assistance using a new distal connector (Gill and Izutani) (OA) 37
Erythromycin
Use of fibrin sealants for the localized, controlled release of cefazolin (Tredwell and others) (OA) 347
Esophageal achalasia
Treatment of esophageal achalasia with Heller myotomy: retrospective evaluation of patient satisfaction and disease-specific quality of life (Dang and Mercer) (OA) 267
Esophageal diseases
Barogenic esophageal rupture: Boerhaave syndrome (Ng and others) (CN) 438
Ethics, professional
Flattery (Waddell) (E) 85
How a visit to the museum can contribute to professional awareness during medical school (Gil) (QS) 384
External fixators
High tibial osteotomy with use of the Taylor Spatial Frame external fixator for osteoarthritis of the knee (Viskontas and others) (OA) 245

– F –

Fasting
Preoperative fasting guidelines (Maltby) (C) 138
(The authors reply) (McLeod and others) (C) 139
Preoperative fasting (Soreide and Ljungqvist) (C) 218
(The authors reply) (McLeod and others) (C) 219
Fibrin tissue adhesive
Use of fibrin sealants for the localized, controlled release of cefazolin (Tredwell and others) (OA) 347
Fissure in ano
Nonsurgical treatment of chronic anal fissure: nitroglycerin and dilatation versus nifedipine and botulinum toxin (Tranqui and others) (OA) 41
Fluid therapy
Pediatric burns: the forgotten trauma of childhood (Holland) (RA) 272
Foreign medical graduates
Physician shortage (Waddell) (E) 236
Fracture fixation
Surgical technique. Technical notes on reduction of thoracic spine fracture dislocation (Alobaid and others) (CME) 131
Fracture fixation, internal
Septal aperture: an anatomic variant predisposing to bilateral low-energy fractures of the distal humerus (Sahajpal and Pichora) (CN) 363

– G –

Gallbladder diseases
L'atteinte tuberculeuse de la vésicule biliaire (El Malki and others) (CN) 135
Gastric bypass
Early results after laparoscopic Roux-en-Y gastric bypass: effect of the learning curve (Andrew and others) (OA) 417
Gastrointestinal stromal tumours
Gastrointestinal stromal tumour: varied presentation of a rare disease (Bardell and others) (BC) 286
Group processes
Building the high-reliability surgical team (E) 6
Investigating interpersonal competencies of cardiac surgery teams (Fleming and others) (OA) 22
Guidelines
Preoperative fasting guidelines (Maltby) (C) 138
(The authors reply) (McLeod and others) (C) 139

– H –

Health knowledge, attitudes, practice
Does flattery work? A comparison of 2 different cover letters for an international survey of orthopedic surgeons (Leece and others) (OA) 90
Outcomes and attitudes: lessons learned from pilots (Gross) (QS) 14
Heart diseases
The new cardiac surgery patient: defying previous expectations (Aggarwal and others) (OA) 117
Heart valve prosthesis implantation
Computer-enhanced telemanipulation in mitral valve repair: preliminary experience in Canada with the da Vinci robotic system (McClure and others) (OA) 193
Hemorrhoidectomy, stapled
Early experience of stapled hemorrhoidectomy in a community hospital setting (Touzin and others) (OA) 316
Hemorrhoids
Early experience of stapled hemorrhoidectomy in a community hospital setting (Touzin and others) (OA) 316
Hernia, abdominal
Herniation through the foramen of Winslow: radiographic and intraoperative findings (Forbes and Stephen) (CN) 362
Radiology for the surgeon. Soft-tissue case 58. Incarcerated Grynfeltt hernia (Ng and others) (CME) 129
Hernia, diaphragmatic
Caval foramen hernia masquerading as a thoracic mass (Ng and others) (CN) 64
Hip prosthesis
Influence of cementless femoral stems inserted in varus on functional outcome in primary total hip arthroplasty (de Beer and others) (OA) 407
History
Wilfred Trotter: surgeon, philosopher (Rosen) (SC) 278
Hospitals
Influence of hospital characteristics on operative death and survival of patients after major cancer surgery in Ontario (Simunovic and others) (OA) 251
Hospitals, community
Quality of diagnosis and surgical management of breast lesions in a community hospital; Room for improvement? (Hanley and Kessaram) (OA) 185
Humeral fractures
Septal aperture: an anatomic variant predisposing to bilateral low-energy fractures of the distal humerus (Sahajpal and Pichora) (CN) 363
Hyperparathyroidism, primary
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 16. Randomized trial of parathyroidectomy in mild asymptomatic primary hyperparathyroidism (Barkun and others) (EBS) 59

Index au volume 49

Imaging, diagnostic
Commentary (Miller) (QS) 313
Imaging for spinal surgery (Splawinski and others) (QS) 311
Immunohistochemistry
Gastrointestinal stromal tumour: varied presentation of a rare disease (Bardell and others) (BC) 286
Incidence
The new cardiac surgery patient: defying previous expectations (Aggarwal and others) (OA) 117
A screening program to identify risk factors for abdominal aortic aneurysms (Lovell and others) (OA) 113
Infant
The efficacy of video-assisted thoracoscopic surgery for anterior release and fusion in the management of pediatric spinal deformities (Reilly and others) (OA) 341
Laparoscopic adrenalectomy for pheochromocytoma in pregnancy (Kim and others) (CN) 62
Internship and residency
The concept and trajectory of "operative competence" in surgical training (Grober and Jewett) (QS) 238
Core competencies in surgery: evaluating the goals of urology residency training in Canada (Morrison and MacNeily) (OA) 259
Interprofessional relations
Building the high-reliability surgical team (E) 6
Investigating interpersonal competencies of cardiac surgery teams (Fleming and others) (OA) 22
Intestinal diseases
Herniation through the foramen of Winslow: radiographic and intraoperative findings (Forbes and Stephen) (CN) 362
Intestinal obstruction
Complications of Meckel's diverticula in adults (Dumper and others) (BC) 353
Intestinal volvulus
A study of large-bowel volvulus in urban Australia (Lau and others) (OA) 203
Intestine, large
A study of large-bowel volvulus in urban Australia (Lau and others) (OA) 203
Intraoperative complications
Practice patterns for deep vein thrombosis prophylaxis in minimal-access surgery (Beekman and others) (OA) 197
Preoperative fasting (Søreide and Ljungqvist) (C) 218
(The authors reply) (McLeod and others) (C) 219

– J –

Job satisfaction
Building the high-reliability surgical team (E) 6
Joint capsule
Surgical images: musculoskeletal. Elbow mass in a 58-year-old woman (Harvey and others) (CME) 281
Joint deformities
High tibial osteotomy with use of the Taylor Spatial Frame external fixator for osteoarthritis of the knee (Viskontas and others) (OA) 245
Joint instability
Surgical images: musculoskeletal. Multidirectional acromioclavicular joint instability posttrauma (Harvey and others) (CME) 434

– K –

Knee joint
High tibial osteotomy with use of the Taylor Spatial Frame external fixator for osteoarthritis of the knee (Viskontas and others) (OA) 245

– L –

Laparoscopy
Core competencies in surgery: evaluating the goals of urology residency training in Canada (Morrison and MacNeily) (OA) 259
Early results after laparoscopic Roux-en-Y gastric bypass: effect of the learning curve (Andrew and others) (OA) 417
Infectious complications following laparoscopic appendectomy (Gupta and others) (OA) 397
Laparoscopic adrenalectomy for pheochromocytoma in pregnancy (Kim and others) (CN) 62
Practice patterns for deep vein thrombosis prophylaxis in minimal-access surgery (Beekman and others) (OA) 197
PVT after splenectomy: (Drs. Harris and Marcaccio reply) (Harris and Marcaccio) (C) 138
PVT after splenectomy (Mashikhes) (C) 138
Value of preoperative serum CA 19-9 levels in predicting resectability for pancreatic cancer (Kiliç and others) (OA) 241
Laparotomy
Herniation through the foramen of Winslow: radiographic and intraoperative findings (Forbes and Stephen) (CN) 362
Radiology for the surgeon. Soft-tissue case 58. Incarcerated Grynfeltt hernia (Ng and others) (CME) 129
Ligaments, articular
Scapholunate interosseus ligament tears in elite gymnasts (Snider and others) (BC) 290
Ligation
Successful damage control of complex vascular and urological gunshot injuries (Ball and others) (CN) 437
Lymphangioma, cystic
Cystic lymphangioma of the lesser sac (Baghai-Wadji and others) (CN) 292

– M –

Magnetic resonance imaging
Radiology for the surgeon. Musculoskeletal case 37. Diaphyseal mid-femur telangiectatic osteosarcoma (Al-Nakshabandi and others) (CME) 283
Radiology for the surgeon. Soft-tissue case 59. Giant epidermal cyst of the ischiorectal fossa (Ng and others) (CME) 435
Scapholunate interosseus ligament tears in elite gymnasts (Snider and others) (BC) 290
Surgery for osteitis pubis (Mehin and others) (OA) 170
Surgical images: soft tissue. Recurrent deep vein thrombosis caused by hypoplasia of the inferior vena cava (Atmatzidis and others) (CME) 285
Mammography
Quality of diagnosis and surgical management of breast lesions in a community hospital: Room for improvement? (Hanley and Kessaram) (OA) 185
Mass screening
A screening program to identify risk factors for abdominal aortic aneurysms (Lovell and others) (OA) 113
Mastectomy
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 19. The effect of a decision aid on knowledge and treatment decision making for breast cancer (Henteleff and others) (EBS) 431
Invasive lobular carcinoma of the male breast (Erhan and others) (CN) 365
Mastectomy, segmental
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 19. The effect of a decision aid on knowledge and treatment decision making for breast cancer (Henteleff and others) (EBS) 431
Quality of diagnosis and surgical management of breast lesions in a community hospital: Room for improvement? (Hanley and Kessaram) (OA) 185
Mastitis
Granulomatous mastitis including breast tuberculosis and idiopathic lobular granulomatous mastitis (Bakaris and others) (BC) 427
Meckel diverticulum
Complications of Meckel's diverticula in adults (Dumper and others) (BC) 353
Medical audit
Using video audit to improve trauma resuscitation — time for a new approach (Fitzgerald and others) (TCC) 208
Meeting abstracts
Canadian Society for Vascular Surgery Meeting. Sept. 29–30, 2006, Calgary, Alta. (ABS) 293

Canadian Society of Surgical Oncology Meeting. April 28, 2006, Hilton Bonaventure, Montréal (ABS) 220
Canadian Special Interest Group 2006. Abstracts presented at the American Burn Association 38th Annual Meeting, April 3, 2006, Las Vegas, Nevada (ABS) 140
Mentors
Developing a culture of mentoring (Warnock) (E) 164
Reflections on the mentoring of a young surgeon (McDonald) (E) 168
Methylene blue
Methylene blue prevents surgery-induced peritoneal adhesions but impairs the early phase of anastomotic wound healing (Dinc and others) (OA) 321
Mitral valve insufficiency
Computer-enhanced telemanipulation in mitral valve repair: preliminary experience in Canada with the da Vinci robotic system (McClure and others) (OA) 193
Motor skills
The concept and trajectory of "operative competence" in surgical training (Grober and Jewett) (QS) 238

– N –

Needs assessment
A needs assessment study of undergraduate surgical education (Birch and Mavis) (OA) 335
Doctor "*Lite*" (Gross) (QS) 314
Neoplasms
Gastrointestinal stromal tumour: varied presentation of a rare disease (Bardell and others) (BC) 286
Influence of hospital characteristics on operative death and survival of patients after major cancer surgery in Ontario (Simunovic and others) (OA) 251
Waiting for cancer care: exploiting our national laboratory (Sullivan) (QS) 12
Waiting times for radiation therapy in Ontario (Benk and others) (OA) 16
Nifedipine
Nonsurgical treatment of chronic anal fissure: nitroglycerin and dilatation versus nifedipine and botulinum toxin (Tranqui and others) (OA) 41
Nitroglycerin
Nonsurgical treatment of chronic anal fissure: nitroglycerin and dilatation versus nifedipine and botulinum toxin (Tranqui and others) (OA) 41

– O –

Obesity, morbid
Early results after laparoscopic Roux-en-Y gastric bypass: effect of the learning curve (Andrew and others) (OA) 417
Organizational objectives
Undergraduate surgical training: variations in program objectives and curriculum implementation across Canada (Forbes and others) (OA) 46
Orthopedic fixation devices
Surgical images: musculoskeletal. Multidirectional acromioclavicular joint instability posttrauma (Harvey and others) (CME) 434
Orthopedic procedures
Does flattery work? A comparison of 2 different cover letters for an international survey of orthopedic surgeons (Leece and others) (OA) 90
Factors predicting the outcome of primary clubfoot surgery (Templeton and others) (OA) 123
Use of fibrin sealants for the localized, controlled release of cefazolin (Tredwell and others) (OA) 347
Osteitis
Surgery for osteitis pubis (Mehin and others) (OA) 170
Osteoarthritis
Foot rotational effects on radiographic measures of lower limb alignment (Hunt and others) (OA) 401
High tibial osteotomy with use of the Taylor Spatial Frame external fixator for osteoarthritis of the knee (Viskontas and others) (OA) 245
Osteosarcoma
Radiology for the surgeon. Musculoskeletal case 37. Diaphyseal mid-femur telangiectatic osteosarcoma (Al-Nakshabandi and others) (CME) 283
Osteotomy
Foot rotational effects on radiographic measures of lower limb alignment (Hunt and others) (OA) 401
High tibial osteotomy with use of the Taylor Spatial Frame external fixator for osteoarthritis of the knee (Viskontas and others) (OA) 245
Outcome and process assessment
Waiting for cancer care: exploiting our national laboratory (Sullivan) (QS) 12
Outcome assessment
Early experience of stapled hemorrhoidectomy in a community hospital setting (Touzin and others) (OA) 316
Early results after laparoscopic Roux-en-Y gastric bypass: effect of the learning curve (Andrew and others) (OA) 417
Influence of cementless femoral stems inserted in varus on functional outcome in primary total hip arthroplasty (de Beer and others) (OA) 407
Influence of hospital characteristics on operative death and survival of patients after major cancer surgery in Ontario (Simunovic and others) (OA) 251
Initial clinical outcomes after completion of training in a Canadian Royal College thoracic surgery program (Milman and Ng) (OA) 422
Le suivi des résultats en soins chirurgicaux (Warnock) (E) 382
Outcomes and attitudes: lessons learned from pilots (Gross) (QS) 14
Tracking outcomes in surgical care (Warnock) (E) 381

– P –

Palpation
Quality of diagnosis and surgical management of breast lesions in a community hospital: Room for improvement? (Hanley and Kessaram) (OA) 185
Pancreatic neoplasms
Value of preoperative serum CA 19-9 levels in predicting resectability for pancreatic cancer (Kiliç and others) (OA) 241
Pancreatitis, acute necrotizing
Determination of patient quality of life following severe acute pancreatitis (Hochman and others) (OA) 101
Parathyroidectomy
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 16. Randomized trial of parathyroidectomy in mild asymptomatic primary hyperparathyroidism (Barkun and others) (EBS) 59
Patient satisfaction
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 19. The effect of a decision aid on knowledge and treatment decision making for breast cancer (Henteleff and others) (EBS) 431
Nonsurgical treatment of chronic anal fissure: nitroglycerin and dilatation versus nifedipine and botulinum toxin (Tranqui and others) (OA) 41
Treatment of esophageal achalasia with Heller myotomy: retrospective evaluation of patient satisfaction and disease-specific quality of life (Dang and Mercer) (OA) 267
Peritoneal cavity
Cystic lymphangioma of the lesser sac (Baghai-Wadji and others) (CN) 292
Peritoneal diseases
Methylene blue prevents surgery-induced peritoneal adhesions but impairs the early phase of anastomotic wound healing (Dinc and others) (OA) 321
Peritoneal neoplasms
Cystic lymphangioma of the lesser sac (Baghai-Wadji and others) (CN) 292
Pheochromocytoma
Laparoscopic adrenalectomy for pheochromocytoma in pregnancy (Kim and others) (CN) 62

Physicians
Physician shortage (Waddell) (E) 236
Physician's practice patterns
Does flattery work? A comparison of 2 different cover letters for an international survey of orthopedic surgeons (Leece and others) (OA) 90
Flattery (Waddell) (E) 85
Practice patterns for deep vein thrombosis prophylaxis in minimal-access surgery (Beekman and others) (OA) 197
Picture Archive Communication System
Commentary (Miller) (QS) 313
Imaging for spinal surgery (Splawinski and others) (QS) 311
Pneumonectomy
Delays to surgery in non-small-cell lung cancer (Liberman and others) (OA) 31
Pneumothorax
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 18. Treatment of occult pneumothoraces from blunt trauma (Kirkpatrick and others) (EBS) 358
Surgical images: soft tissue. Tension pyopneumothorax (Bloom and McClenathan) (CME) 58
Polytetrafluoroethylene
Reinforcement of the suture line with an ePTFE graft attached with histoacryl glue in duodenal trauma (Saygun and others) (OA) 107
Portraits
Wilfred Trotter: surgeon, philosopher (Rosen) (SC) 278
Postoperative complications
Infectious complications following laparoscopic appendectomy (Gupta and others) (OA) 397
Methylene blue prevents surgery-induced peritoneal adhesions but impairs the early phase of anastomotic wound healing (Dinc and others) (OA) 321
The new cardiac surgery patient: defying previous expectations (Aggarwal and others) (OA) 117
Occult cystobiliary communication presenting as postoperative biliary leakage after hydatid liver surgery: Are there significant preoperative predictors? (Demircan and others) (OA) 177
PVT after splenectomy (Mashikhes) (C) 138
(Drs. Harris and Marcaccio reply) (Harris and Marcaccio) (C) 138
Predictive value of tests
Value of preoperative serum CA 19-9 levels in predicting resectability for pancreatic cancer (Kiliç and others) (OA) 241
Prenancy complications
Laparoscopic adrenalectomy for pheochromocytoma in pregnancy (Kim and others) (CN) 62
Preoperative care
Preoperative fasting (Søreide and Ljungqvist) (C) 218
(The authors reply) (McLeod and others) (C) 219
Preoperative fasting guidelines (Maltby) (C) 138
(The authors reply) (McLeod and others) (C) 139
Problem-based learning
How a visit to the museum can contribute to professional awareness during medical school (Gil) (QS) 384
Professional competence
Investigating interpersonal competencies of cardiac surgery teams (Fleming and others) (OA) 22
Prognosis
Occult cystobiliary communication presenting as postoperative biliary leakage after hydatid liver surgery: Are there significant preoperative predictors? (Demircan and others) (OA) 177
Program evaluation
Undergraduate surgical training: variations in program objectives and curriculum implementation across Canada (Forbes and others) (OA) 46
Prosthesis implantation
Reinforcement of the suture line with an ePTFE graft attached with histoacryl glue in duodenal trauma (Saygun and others) (OA) 107
Pubic bone
Surgery for osteitis pubis (Mehin and others) (OA) 170

– Q –

Quality assurance, health care
Using video audit to improve trauma resuscitation — time for a new approach (Fitzgerald and others) (RA) 208
Quality of life
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 16. Randomized trial of parathyroidectomy in mild asymptomatic primary hyperparathyroidism (Barkun and others) (EBS) 59
Determination of patient quality of life following severe acute pancreatitis (Hochman and others) (OA) 101
Treatment of esophageal achalasia with Heller myotomy: retrospective evaluation of patient satisfaction and disease-specific quality of life (Dang and Mercer) (OA) 267
Questionnaires
Does flattery work? A comparison of 2 different cover letters for an international survey of orthopedic surgeons (Leece and others) (OA) 90
Flattery (Waddell) (E) 85

– R –

Radiography
Barogenic esophageal rupture: Boerhaave syndrome (Ng and others) (CN) 438
Foot rotational effects on radiographic measures of lower limb alignment (Hunt and others) (OA) 401
Influence of cementless femoral stems inserted in varus on functional outcome in primary total hip arthroplasty (de Beer and others) (OA) 407
Radiology for the surgeon. Soft-tissue case 58. Incarcerated Grynfeltt hernia (Ng and others) (CME) 129
Septal aperture: an anatomic variant predisposing to bilateral low-energy fractures of the distal humerus (Sahajpal and Pichora) (CN) 363
Surgical images: musculoskeletal. Multidirectional acromioclavicular joint instability posttrauma (Harvey and others) (CME) 434
Radiography, abdominal
A study of large-bowel volvulus in urban Australia (Lau and others) (OA) 203
Radiography, thoracic
Caval foramen hernia masquerading as a thoracic mass (Ng and others) (CN) 64
Surgical images: soft tissue. Tension pyopneumothorax (Bloom and McClenathan) (CME) 58
Range of motion, articular
Factors predicting the outcome of primary clubfoot surgery (Templeton and others) (OA) 123
Rats
Methylene blue prevents surgery-induced peritoneal adhesions but impairs the early phase of anastomotic wound healing (Dinc and others) (OA) 321
Reinforcement of the suture line with an ePTFE graft attached with histoacryl glue in duodenal trauma (Saygun and others) (OA) 107
Rectal diseases
Radiology for the surgeon. Soft-tissue case 59. Giant epidermal cyst of the ischiorectal fossa (Ng and others) (CME) 435
Reoperation
The effect of spinal anesthesia on blood transfusion rate in total joint arthroplasty (Rashiq and Finegan) (OA) 391
Resuscitation
Using video audit to improve trauma resuscitation — time for a new approach (Fitzgerald and others) (TCC) 208
Risk factors
A screening program to identify risk factors for abdominal aortic aneurysms (Lovell and others) (OA) 113
Delays to surgery in non-small-cell lung cancer (Liberman and others) (OA) 31
Factors predicting the outcome of primary clubfoot surgery (Templeton and others) (OA) 123
Invasive lobular carcinoma of the male breast (Erhan and others) (CN) 365
The new cardiac surgery patient: defying previous expectations (Aggarwal and others) (OA) 117

Occult cystobiliary communication presenting as postoperative biliary leakage after hydatid liver surgery: Are there significant preoperative predictors? (Demircan and others) (OA) 177
Robotics
Computer-enhanced telemanipulation in mitral valve repair: preliminary experience in Canada with the da Vinci robotic system (McClure and others) (OA) 193
Internal thoracic artery to left anterior descending anastomosis performed on the beating heart by endoscopic robot assistance using a new distal connector (Gill and Izutani) (OA) 37
Rupture, spontaneous
Barogenic esophageal rupture: Boerhaave syndrome (Ng and others) (CN) 438

– S –

Scaphoid bone
Scapholunate interosseus ligament tears in elite gymnasts (Snider and others) (BC) 290
Scoliosis
The efficacy of video-assisted thoracoscopic surgery for anterior release and fusion in the management of pediatric spinal deformities (Reilly and others) (OA) 341
Severity of illness index
Determination of patient quality of life following severe acute pancreatitis (Hochman and others) (OA) 101
Skin transplantation
Pediatric burns: the forgotten trauma of childhood (Holland) (RA) 272
Space perception
Visual-spatial ability, learning modality and surgical knot tying (Brandt and Davies) (OA) 412
Specialties, surgical
Le suivi des résultats en soins chirurgicaux (Warnock) (E) 382
L'éducation médicale de premier cycle (Waddell) (E) 309
Tracking outcomes in surgical care (Warnock) (E) 381
Undergraduate medical education (Waddell) (E) 309
Spinal fractures
Surgical technique. Technical notes on reduction of thoracic spine fracture dislocation (Alobaid and others) (CME) 131
Spinal fusion
The efficacy of video-assisted thoracoscopic surgery for anterior release and fusion in the management of pediatric spinal deformities (Reilly and others) (OA) 341
Spine
Imaging for spinal surgery (Splawinski and others) (QS) 311
Splenectomy
Management of spleen injuries in the adult trauma populations: a ten-year experience (Cadeddu and others) (OA) 386
PVT after splenectomy (Mashikhes) (C) 138
(Drs. Harris and Marcaccio reply) (Harris and Marcaccio) (C) 138
Suppuration
Surgical images: soft tissue. Tension pyopneumothorax (Bloom and McClenathan) (CME) 58
Surgery, computer-assisted
Computer-enhanced telemanipulation in mitral valve repair: preliminary experience in Canada with the da Vinci robotic system (McClure and others) (OA) 193
Surgical procedures
A needs assessment study of undergraduate surgical education (Birch and Mavis) (OA) 335
What procedures are students doing during undergraduate surgical clerkship? (Ladak and others) (OA) 329
Surgical procedures, elective
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 17. The timing of elective colectomy in diverticulitis: a decision analysis (McLeod and others) (EBS) 212
Surgical wound infection
Infectious complications following laparoscopic appendectomy (Gupta and others) (OA) 397
Survival analysis
Influence of hospital characteristics on operative death and survival of patients after major cancer surgery in Ontario (Simunovic and others) (OA) 251
Survival rate
The new cardiac surgery patient: defying previous expectations (Aggarwal and others) (OA) 117
Burden of injury during the complex political emergency in northern Uganda (Lett and others) (IS) 51
Suture techniques
Reinforcement of the suture line with an ePTFE graft attached with histoacryl glue in duodenal trauma (Saygun and others) (OA) 107
Visual-spatial ability, learning modality and surgical knot tying (Brandt and Davies) (OA) 412
Swine
Internal thoracic artery to left anterior descending anastomosis performed on the beating heart by endoscopic robot assistance using a new distal connector (Gill and Izutani) (OA) 37

– T –

Tamoxifen
Invasive lobular carcinoma of the male breast (Erhan and others) (CN) 365
Task performance analysis
Visual-spatial ability, learning modality and surgical knot tying (Brandt and Davies) (OA) 412
Teaching
Doctor "*Lite*" (Gross) (QS) 314
Telemedicine
Commentary (Miller) (QS) 313
Computer-enhanced telemanipulation in mitral valve repair: preliminary experience in Canada with the da Vinci robotic system (McClure and others) (OA) 193
Imaging for spinal surgery (Splawinski and others) (QS) 311
Thoracic injuries
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 18. Treatment of occult pneumothoraces from blunt trauma (Kirkpatrick and others) (EBS) 358
Endovascular management of traumatic aortic injuries: (Dr. Lawlor replies) (Lawlor) (C) 217
Endovascular management of traumatic aortic injuries (Verdant) (C) 217
Thoracic neoplasms
Caval foramen hernia masquerading as a thoracic mass (Ng and others) (CN) 64
Thoracic surgery procedures
Initial clinical outcomes after completion of training in a Canadian Royal College thoracic surgery program (Milman and Ng) (OA) 422
Thoracic surgery, video-assisted
The efficacy of video-assisted thoracoscopic surgery for anterior release and fusion in the management of pediatric spinal deformities (Reilly and others) (OA) 341
Thoracostomy
Surgical images: soft tissue. Tension pyopneumothorax (Bloom and McClenathan) (CME) 58
Thoracotomy
Barogenic esophageal rupture: Boerhaave syndrome (Ng and others) (CN) 438
Tibia
High tibial osteotomy with use of the Taylor Spatial Frame external fixator for osteoarthritis of the knee (Viskontas and others) (OA) 245
Time factors
Delays to surgery in non-small-cell lung cancer (Liberman and others) (OA) 31
Determination of patient quality of life following severe acute pancreatitis (Hochman and others) (OA) 101
Early results after laparoscopic Roux-en-Y gastric bypass: effect of the learning curve (Andrew and others) (OA) 417

Waiting for cancer care: exploiting our national laboratory (Sullivan) (QS) 12
Waiting times for radiation therapy in Ontario (Benk and others) (OA) 16
Tissue adhesives
Reinforcement of the suture line with an ePTFE graft attached with histoacryl glue in duodenal trauma (Saygun and others) (OA) 107
Tomography, x-ray computed
Acute appendagitis as a cause of right lower quadrant pain (Friedlich and Papadatos) (CN) 215
Barogenic esophageal rupture: Boerhaave syndrome (Ng and others) (CN) 438
Caval foramen hernia masquerading as a thoracic mass (Ng and others) (CN) 64
Cystic lymphangioma of the lesser sac (Baghai-Wadji and others) (CN) 292
Gastrointestinal stromal tumour: varied presentation of a rare disease (Bardell and others) (BC) 286
Herniation through the foramen of Winslow: radiographic and intraoperative findings (Forbes and Stephen) (CN) 362
Management of spleen injuries in the adult trauma populations: a ten-year experience (Cadeddu and others) (OA) 386
Radiology for the surgeon. Soft-tissue case 58. Incarcerated Grynfeltt hernia (Ng and others) (CME) 129
Surgical images: musculoskeletal. Elbow mass in a 58-year-old woman (Harvey and others) (CME) 281
Surgical images: soft tissue. Tension pyopneumothorax (Bloom and McClenathan) (CME) 58
Surgical technique. Technical notes on reduction of thoracic spine fracture dislocation (Alobaid and others) (CME) 131
Value of preoperative serum CA 19-9 levels in predicting resectability for pancreatic cancer (Kiliç and others) (OA) 241
Trauma centres
Management of spleen injuries in the adult trauma populations: a ten-year experience (Cadeddu and others) (OA) 386
Using video audit to improve trauma resuscitation — time for a new approach (Fitzgerald and others) (TCC) 208
Treatment outcome
Delays to surgery in non-small-cell lung cancer (Liberman and others) (OA) 31
The efficacy of video-assisted thoracoscopic surgery for anterior release and fusion in the management of pediatric spinal deformities (Reilly and others) (OA) 341
Factors predicting the outcome of primary clubfoot surgery (Templeton and others) (OA) 123
The new cardiac surgery patient: defying previous expectations (Aggarwal and others) (OA) 117
Nonsurgical treatment of chronic anal fissure: nitroglycerin and dilatation versus nifedipine and botulinum toxin (Tranqui and others) (OA) 41
Reinforcement of the suture line with an ePTFE graft attached with histoacryl glue in duodenal trauma (Saygun and others) (OA) 107
